## Payment of Charges

For purposes of this section, the term "Charges" means all applicable transportation and other charges, including, but not limited to, all applicable accessorial charges, surcharges, additional handling charges and late payment fees.

UPS's payment terms require payment of all Charges within seven (7) days after receipt of the UPS bill. The UPS Tariff contains provisions for a late payment fee on past due balances (including, without limitation, any previously assessed but unpaid late payment fees), and the shipper agrees to pay such late payment fees as may be assessed by UPS.

Notwithstanding any billing or payment option selected at the time of shipment, the shipper is ultimately liable for and agrees to pay all Charges, including in the event of insolvency, bankruptcy, non-payment or refusal to pay by the consignee or third party.

UPS reserves the right to bill for Charges based upon the characteristics of, and services requested for, packages actually tendered to UPS. UPS reserves the right to audit invoices to verify service selection, package or shipment weight; applicability of any Charges; and to make appropriate adjustments. If Charges are paid for by credit card, the shipper expressly authorizes UPS to assess any Charges and to obtain payment of the Charges by use of the credit card.

If a shipper submits package information to UPS (through an automated shipping system, source document or UPS Internet Shipping) and does not subsequently tender such package to UPS, it is the shipper's sole responsibility to request an adjustment. Shippers who fail to do so will be liable for all applicable Charges.

Shippers requesting an invoice adjustment (e.g., adjustment based on an incorrect rate, billable weight, account number or type of service, etc.) or a refund due to a duplicate payment must notify UPS of the request within 180 days after receiving the contested bill. A partial payment against an invoice is not considered a request for an invoice adjustment.

## Residential Delivery

A residential delivery is defined as delivery to a location that is a home, including a business operating out of a home that does not have an entrance open to the public.

## UPS Return Services

### UPS Returns<sup>SM</sup>

**Authorized Return Service (ARS)** - ARS is a contractual service that allows the shipper to order preprinted labels to send to their customer. The shipper signs an agreement based upon the average weight and zone of their package characteristics. Upon execution of the agreement, the shipper calls 1-800-PICK-UPS to order return labels that are preprinted with the return address designated in the contract. Upon receipt of the preprinted return labels, the shipper encloses the return label with the outbound shipment or mails the label to the recipient separately. The recipient affixes the label to the UPS-compatible package and takes the package to an approved return location, gives it to a UPS service provider or calls 1-800-PICK-UPS to request a pickup for an additional fee. Packages can be returned from any address in the 50 states with ARS, where this service is available, via UPS Next Day Air, UPS 2nd Day Air, UPS 3 Day Select and UPS Ground. Upon delivery of the package, the original shipper is billed the rate based upon the contract. There is no additional accessorial charge.

**Print Return Label** - Packages can be returned from any address in the 50 states with Print Return Label service, where this service is available, via UPS Next Day Air, UPS 2nd Day Air, UPS 3 Day Select and UPS Ground.

The value limit for each Print Return Label package is \$1,000 (U.S.).

Upon delivery, a package returned using a Print Return Label will be charged the rate calculated from the pickup location to the destination via the service selected. An additional charge for

each Print Return Label package will be assessed when Print Return Label service is requested. The applicable charges will be those set forth in the UPS Rates in effect at the time the charge is applied.

**Electronic Return Label** - Packages can be returned from any address in the 50 states with an Electronic Return Label, where this service is available, via UPS Next Day Air, UPS 2nd Day Air, UPS 3 Day Select and UPS Ground.

The applicable charges will be those set forth in the UPS Rates in effect at the time the charge is applied.

**Print and Mail Return Label** - Packages can be returned from any address in the 50 states with Print and Mail Return Label service, where this service is available, via UPS Next Day Air, UPS 2nd Day Air, UPS 3 Day Select and UPS Ground.

When requested via WorldShip or Returns on the Web, a return label will be generated for the package. Upon delivery, a package returned using a Print and Mail Return Label will be charged the rate calculated from the pickup location to the destination via the service selected. An additional charge for each Print and Mail Return Label package will be assessed when Print and Mail Return Label service is requested. The applicable

Delivery routing label, provided by UPS, must be attached to each package.

The shipper may request optional Saturday delivery of UPS Worldwide Express Plus shipments (subject to value limits) and UPS Worldwide Express shipments to specific locations in Canada, Germany and the United Kingdom by indicating the selection of this option on the UPS source document or in a UPS automated shipping system and by attaching a Saturday Delivery routing label provided by UPS to each package.

Optional Saturday delivery of UPS Worldwide Express Plus and UPS Worldwide Express shipments from specific locations in designated countries to specific locations in the United States may be requested by indicating the selection of this option on the UPS source document for each shipment.

An additional charge, set forth in the UPS Rates applicable to the shipment in effect at the time of shipping, will be assessed for each UPS Next Day Air Early A.M. and UPS Next Day Air package and for each UPS Worldwide Express Plus and UPS Worldwide Express shipment received for Saturday delivery. This charge is billed to the payer of the transportation charges.

#### **Hold for Pickup Service**

The shipper may request UPS to hold a domestic package at a designated UPS facility for pickup by the consignee. For each such package, the shipper will complete an address label showing the words "Hold for Pickup," the consignee's name, telephone number, the name of a contact person and the full address of the designated UPS facility. In addition, the shipper will apply a UPS Hold for Pickup label below the address label on the package.

UPS will hold the package at the designated facility and will attempt to contact the consignee at the telephone number shown on the label. Packages will usually be made available by 8:30 a.m. on the scheduled day of delivery. Packages not picked up within five (5) business days from the date of arrival will be returned to the shipper.

An additional charge, set forth in the UPS Rates applicable to the shipment in effect at the time of shipping, will be assessed for each Verbal Confirmation of Delivery request and will be billed to the payer of the transportation charges.

##### **Invalid UPS Next Day Air**

##### **Early A.M. Shipment Charge**

UPS reserves the right to assess a charge, set forth in the UPS Rates applicable to the shipment in effect at the time of shipping, for each UPS Next Day Air Early A.M. package shipped to a destination outside the UPS Next Day Air Early A.M. service area.

#### **UPS Next Day Air and UPS 2nd Day Air Charges**

For Next Day Air services, there is no weight limit for Express Envelopes containing correspondence, urgent documents and electronic media. When a Next Day Air service is selected, Express Envelopes containing items other than those listed above are subject to the corresponding rates for the applicable weight. The shipper agrees to comply with the requirements of the Private Express Statutes when using UPS 2nd Day Air A.M. and UPS 2nd Day Air services. Do not use UPS 2nd Day Air services to send letters weighing over 13 ounces in the Express Envelopes.
